**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

This country was based on equality in the opportunity big or small to succeed!!!!

Money has reared its pervasive and many times ugly head, was the underlying greed the motivation to grab more than a fair share.

The internet was developed with our money so please go by way of this reason to assure that when I open my computer anything that I search for or watch will be equally accessed at my choice not the choice of the corporate companies making my choice for me.

Protect our first amendment please....keep big money out of my world...the public is overwhelmingly for this freedom!!!!
